

## CLAIM AMENDMENTS

This listing of claims will replace all previous versions and listings of claims in this application.

1. (Currently Amended) A method for providing ~~freshly~~ a freshly baked food product, comprising:
  - freezing a dough based crust;
  - freezing pizza toppings individually and separately from the crust;
  - assembling a frozen food product by applying the frozen toppings individually on the frozen crust; and
  - baking the frozen food product to produce the baked food product, wherein the baking step takes less time than for a dough crust that is frozen together with the toppings.
2. (Currently Amended) The method of claim 1, further comprising storing the frozen ~~pizza-base~~ crust and frozen toppings separately from each other in a mobile unit.
3. (Previously Presented) The method of claim 2, wherein the baking of the food product comprises baking the food product in the mobile unit.
4. (Currently Amended) The method of claim 1, wherein the food product is baked for less than about 5 minutes at a temperature sufficient for causing the crust to become substantially crispy ~~for~~ and for substantially heating the toppings to produce a hot, cooked food product.
5. (Previously Presented) The method of claim 4, wherein the toppings comprise cheese, and the baking temperature is sufficient for melting the cheese.
6. (Previously Presented) The method of claim 4, wherein the baking temperature is between about 280 °C to about 450 °C.

7. (Previously Presented) The method of claim 4, wherein the baking temperature comprises an average temperature of above about 300 °C.

8. (Previously Presented) The method of claim 1, further comprising pre-baking at least one of the crust and toppings prior to the freezing thereof.

9. (Currently Amended) The method of claim 1, wherein the toppings comprise a plurality of different types of toppings, and ~~the toppings are~~ each topping is frozen by separately freezing the different types of toppings.

10. (Previously Presented) The method of claim 1, wherein the toppings comprise cheese and tomato purée.

11. (Previously Presented) The method of claim 1, wherein the toppings are frozen by freezing and forming at least some of the toppings substantially as cubes.

12. (Previously Presented) The method of claim 1, further comprising slicing at least some of the toppings to produce sliced frozen toppings.
